Welcome to the 2027 Careers That Work! Scholarship Program!

The Careers That Work! scholarship offers tuition assistance for high school graduates pursuing post-secondary education at select private career colleges in Oregon, Washington, and Idaho. We look forward to our 27th year of partnering to put students and colleges together.

Since 1999 high schools have selected students to receive the Careers That Work! scholarship. Because of high school awareness and awarding of the program, thousands of students and their families have benefited from the \$1,000 tuition scholarship. We have been told this scholarship is often the “tool” that helps transition students to higher education. We believe by working together we can assist students with gaining an education for the future.

Each high school in the Northwest is given five \$1,000 tuition scholarships to award to students who choose to attend one of our participating colleges. Since 1999, high schools in the Northwest have awarded thousands of Careers That Work! scholarships to help with the cost of tuition.

This catalog is a reference resource. Please note that all scholarships must be awarded at www.nwcareercolleges.org/scholarships.

If you have any questions about the Careers That Work! scholarship program, please call me personally at 360-259-1313.

Scholarship Program – 2027
“Putting Students & Colleges Together”

CATALOG OF PARTICIPATION INSTITUTIONS

This catalog contains participating school names, contacts, program titles, and web addresses. Please visit the website of the Northwest Career Colleges Federation at www.nwcareercolleges.org to access more scholarship information. At that site you will find links to the individual websites of the participating schools for detailed school and program information.

An official of the high school selects scholarship recipients. If your awarded student is accepted for enrollment at the chosen college, the Scholarship will be credited to the awardees tuition commensurate with the college’s scholarship disbursement policy. Scholarships are non-transferable and expire December 31st, 2027. The deadline for student acceptance at the college is July 14th, 2027. Awardees are urged to make contact with the college admissions office before graduation from high school. In some instances this scholarship may not be combined with another institution-based scholarship.

To initiate and complete the award process the NWCCF must be notified by the high school and provided specific information about the selected student. This is accomplished by submitting an award notification online.

**Please Submit the Award Online at:
www.nwcareercolleges.org/scholarships**

Award Deadline is June 16th, 2027

4 Reasons

Why You Should Become a Reflexologist

1

Launch Your Career

Earn your Certificate in a short time with programs ranging from 5 to 12 months.

2

In-Demand Profession

Reflexology is growing with increasing demand for alternative therapies.

3

Meaningful Impact

Transform lives by reducing stress and enhancing overall well-being.

4

Flexible and Lucrative

Set your own hours and earn competitive pay. Many reflexologists earn \$75 to \$125 per hour.

Ready to Start?

Take advantage of our express enrollment and earn your certification to begin your rewarding career in holistic healing!
